Thilini Sanathanee

The **UX** DESIGNER

thilini.san@gmail.com | +31 6 22 88 35 45 | Almere, The Netherlands | [LinkedIn](#)

PROFILE SUMMARY

UX/UI Designer passionate about creating intuitive, user-friendly digital experiences. Graduated from **CareerFoundry Institute** in 2024, then completed a UX Design internship at **Salesfision Digital Marketing Agency**, where I am currently working as a UX & UI Designer. I work end-to-end — pairing Figma with Claude Design and Claude Code — to take designs from concept to production-ready websites. Skilled in user research, wireframing, prototyping, and usability testing, with a strong collaborator mindset and a keen interest in AI-assisted build workflows.

SKILLS

Core

- User research & personas
- Wireframing & prototyping (Figma, Sketch)
- Usability testing
- Information architecture
- Interaction design & user flows
- Visual design & UI principles
- AI-assisted design & build

Soft

- Problem-solving & critical thinking
- Collaboration & communication
- Adaptability & eagerness to learn
- Time management

Technical

- HTML5/CSS3 (handoff-level)
- Accessibility (WCAG)
- Figma, Sketch, Framer, Adobe CS, InVision, Miro, Claude Design, Claude Code, WordPress, Laravel, MySQL, Stripe, Runway

PROJECTS

Digital Marketing Portal

Portal serving both client and staff views, with a dashboard displaying the digital funnel and monthly and yearly growth.

Role: UX Designer · Tools: Figma, Photopea

Luxury Clothing Webshop

Webshop for a luxury clothing brand, using earthy brown on white to showcase craftsmanship and trustworthiness.

Role: UI/UX Designer · Tools: Figma, Claude Code, Laravel, MySQL, Stripe, Runway

Cocktail Brand Website

Site for a cocktail brand using neon colours on a white base to showcase chill nightlife and refreshing drinks.

Role: UI/UX Designer · Tools: Figma, Claude Code, MySQL, WordPress

Streetwear Clothing Brand

Site for a streetwear label using red and black with a flat design and white space, for a street, modern, and fashionable look.

Role: UI/UX Designer · Tools: Figma, Claude Code, MySQL, WordPress

Premium Tea Brand Webshop

Webshop for a premium tea brand of Surinamese origin, specialising in women's wellness. Maroon palette on a clean, minimal flat design, with a due-date and cycle calculator as a lead-generation tool.

Role: UI/UX Designer · Tools: Figma, Claude Design, Claude Code, MySQL, WordPress

Birthday Banner Web App

Web app for a banner brand with a pink, purple, and orange gradient theme. Introduced Bibi, an AI buddy that writes birthday wishes, plus a simple in-app banner editor.

Role: UI/UX Designer · Tools: Figma, Claude Design, Claude Code, MySQL, WordPress
